PROMENADE AT SPECTRUM NOTICE TO ALL HOMEOWNERS

The HOA is performing repairs to the fire sprinkler water pipe due to a leak starting Monday, September 18, 2023 starting at 8:00AM to 4:00PM. These repairs can sometimes result in false fire alarms sounding. Please be assured that if you hear any fire alarm sounding in the complex, that it is part of the repairs underway.

Do not call 911, do not contact the Fire Department or other authorities. The alarms are a normal part of the repair and testing procedures.

We anticipate that the repairs will be completed by 4:00PM Monday September 18th.
