A T S P E C T R U M

HAPPY HOLIDAYS 2023

Promenade at Spectrum Residents
here are some things to keep in mind this holiday season:

- **NO extra trash bin** will be added for overflow holiday trash and Christmas Tree recycling this year

- PLACE ALL CHRISTMAS TREES AND BAGGED TRASH INSIDE TRASH BINS**
- Do not leave trees beside trash bins or on the floor in trash enclosures
 - Waste Management will NOT pick them up
- Do not use trash bins at our neighboring communities

- Parking in the Spectrum area during the holidays will be extremely busy and any unregistered vehicles at Promenade will be towed - mostly due to violators from other communities using our Guest spaces...

- 1) Always **immediately** digitally register Guest vehicles using **Parking Boss** and the unit passcode <https://promenadeatspectrum.parkingattendant.com/>
- 2) **SECUR IT GUARD** enforces the approved parking rules 7 days a week / 24 hours a day
- 3) **THERE IS NO PARKING GRACE PERIOD**
- 4) **UPDATE: You can now register vehicles in 12-hour increments versus 24-hour blocks**
- 5) Residents/Owners/Renters are prohibited from parking in Guest parking spaces - even during the day - or risk being towed or Barnacled
- 6) Reset your unit's unique Parking Boss passcode by contacting elva@howertonmanagement.com
- 7) **DO NOT PARK** in spaces on *Plaza Promenade* or anywhere marked "**LOT ## RESERVED**" or you may be towed by the space's owner
- 8) More parking information is available at <https://promenadehoasd.com/life-at-promenade/parking>

- Contact Howerton Management with any questions
